PART B – APPEAL BASED ON (Please mark correct box)

Before determining the section of the Transfer Policy under which your appeal will be made, read the entire Policy carefully so as to ensure that you are appealing under the appropriate section and that you are able to provide the documentation required.

Every student who has been registered as a transfer from another school within the previous twelve (12) months is ineligible for OFSAA sanctioned events, unless he/she appeals and is deemed eligible by the OFSAA Board of Reference – Transfers under one of the four following sections.

Section (a)

- (a) (i) There has been an accompanying change in permanent residence by the student and his/her immediate family to the designated school from any system (public, catholic or independent) according to school board boundaries (or is the closest school in the student's choice of school system to the student's home if no school boundaries exist). Immediate family is the parent(s) or the student's legal guardian as determined by a court of competent jurisdiction. The student and his/her immediate family must completely and permanently move from the former residence. The student must provide evidence/documentation confirming that they are residing in a new permanent residence, and evidence/documentation that they have completely and permanently moved from the former resident. See Note 10.
- (a) (ii) The student has transferred to an Ontario school from outside Canada or the United States and is attending the designated school in their choice of system (public, catholic or independent) according to school board boundaries (or is attending the closest school in the student's choice of system to the student's home if not school boundaries exist).
- (a) (iii) The student has transferred as a result of the closure of his/her former school and is attending the school designated by the School Board.
- (a) (iv) The student is an international student who has transferred to an Ontario school from outside Canada or the United States and is attending the school designated by the school board. See Note 13.

Section (b)

- (b) (i) The student did not participate in any sports at the interschool level for twelve months prior to the date of transfer. Written confirmation from the Vice Principal, Principal, Department Head, or Athletic Director at the previous school is required. Students in their first year of grade 9 may not apply under this section.

OR

- (b) (ii) The student accepts his/her ineligibility under the Transfer Policy, but requests eligibility for the sports he/she did not participate in at the interschool level for the twelve months prior to the date of transfer. Written confirmation from the Vice Principal, Principal, Department Head, or Athletic Director at the previous school is required. Students in their first year of grade 9 may not apply under this section.

Section (c)

- (c) (i) The student **has been placed** in a school by an I.P.R.C. (Identification, Placement and Review Committee) decision. The Federation's Board of Reference shall require and receive a letter from the principal of the school from which the student has transferred, stating the reason for the placement of the student by the I.P.R.C.
- (c) (ii) The student has transferred from an independent school to a public or catholic school as the result of an educational exceptionality which the independent school was unsuccessful in accommodating. In such cases, the student was unable to access the I.P.R.C. process (Identification, Placement and Review Committee). The appeal must be accompanied by the following information: a psycho educational assessment diagnosing an educational exceptionality; documentation from the independent school demonstrating the strategies used to attempt to accommodate the educational exceptionality; and documentation from the receiving school confirming additional and/or new methods being provided to accommodate the educational exceptionality, which were not being provided at the sending school.

Section (d)

- (d) (i) The student has transferred prior to their grade 10 year for exceptional personal, social or academic reasons. The appeal must be accompanied by documentation from the sending schools administration and/or independent sources to confirm the exceptional reasons..
- (d) (ii) The student has changed residence to live with a custodial parent for exceptional personal reasons or the student has changed residence to live with a new, court-appointed legal guardian for exceptional personal reasons. Documentation showing that there was just cause for the move must accompany the appeal. See Note 10 regarding proof of residence.
- (d) (iii) The student has transferred to remove him/herself from an abusive home environment. Documentation detailing the abusive situation shall be provided by the applicant from the sending school, psychologists, social worker, medical doctor or police, as the case may be. (All documentation will be reviewed respecting confidentiality.)
- (d) (iv) has been forced to leave an independent school specifically due to financial hardship. The appeal must include the following information: documentation confirming change in tuition fees; documentation regarding family requests for bursary assistance to meet financial hardship; documentation regarding significant changes in the financial situation of the family; and, confirmation that the student will be attending the designated school in their home catchment area.
- (d) (v) the student was the victim of bullying and after attempts to resolve the issue the sending school agreed that it was in the best interests of the student to transfer schools. The appeal must be accompanied by the following information: documentation from the sending school's administration or the police, confirming the seriousness and frequency of the bullying, including a description of the incidents and dates; documentation from the sending school's administration describing the strategies put in place to resolve the bullying and the reasons the strategies did not succeed; and a letter from the sending school's administration in support of the transfer.

Notwithstanding any of the above, no student may participate the same sport for more than one school in the same League or municipality in the same school year unless the student is ruled eligible by the Federation's Board of Reference under subsection (a) of the Transfer Policy. Participate means competing in exhibition games and invitational tournament/events, not just league play.

Notes:

1. Once a student has changed schools he/she is considered a transfer student and even if he/she returns to a school, he/she must comply with the Transfer Policy.
2. The word "participate" in section (b) of the Transfer Policy means competing for your school in that activity. This includes exhibition games and invitational tournaments/events, not just league play.
3. The Board of Reference **will not consider** as reasons for transfer:
 - (i) the relative ranking of schools or the differences in delivery of courses with the same Ministry course codes;
 - (ii) that a sport or team is no longer offered at the previous school.
4. Students moving from a school in a strike/lock-out area are ineligible for all sports played in the previous 12 months from their date of entry into the new school.
5. Students who attended an alternative school or alternative program who are returning to the school they attended prior to the alternative school or alternative program, are not considered transfer students provided they did not play sports while at the alternative school or alternative program.
6. Out of province exchange students and out of country exchange students are not considered transfer students and are eligible for all sports.
7. Driving distance shall be used to determine the closest school to a student's home residence.
8. Students transferring from other provinces, states, or countries are ineligible for OFSAA competition if they have graduated from high school or equivalent, or if they have used their years of athletic eligibility in the province, state or country from which they are transferring. This does not apply to students who have graduated in the previous school year from secondary school in Quebec, provided they meet one of the criteria for eligibility in sections a – d of the transfer policy.
9. Students applying under Section D **must** attend the next closest school (of their choice of school system) to their home residence.
10. When applying under section (a) (i), the student must provide evidence/documentation confirming that he/she and their immediate family are residing in a new permanent residence and that they have completely and permanently moved from the former residence. When applying under section (d) (ii) of the policy the student must provide evidence/documentation confirming that they are residing in a new permanent residence. In both cases, such evidence/documentation may include:
 - telephone and utility service operative at the new residence **and** telephone and utility service disconnected at the former residence;
 - vehicle registration listing the new residence;
 - real estate documents indicating and verifying a change of residence (e.g., sale and purchase);
 - parents/court-appointed guardians' property tax bill listing the new residence;
 - insurance slips for home and auto insurance;
 - school documentation showing that sibling(s) attend local elementary school and/or the same high school as the transferring student;
 - any other documentation that is requested which establishes the student and his/her immediate family is living at the new residence.
11. If a student moves from their home school to play on a Prep/Elite team within the new school, that is not a 'bona fide' school team, he/she is ineligible for any sport played at his/her former school in the previous twelve (12) months (as per OFSAA Transfer policy). A Prep/Elite team within a school is defined as a team that is not a 'bona fide' school team as defined in the OFSAA playing regulations.
12. If a student moves from their home school to play on a Prep/Elite team within a school, and then returns to his/her home school, or any other member school of OFSAA, he/she is considered a transfer student and must seek eligibility through the LOSSA transfer process. These students may not apply for eligibility under section b(i) of the transfer policy. Members of a school Prep team are considered to have participated in the sport if applying under section b(ii) of the policy.
13. International students must meet all of the following conditions in order to apply under (a) (iv):
 - a) The student is registered in a member school as an international student and pays tuition to that school board according to international student policy and fee schedule.
 - b) The incoming international student will be enrolled at the receiving school for at least 5 consecutive months or one semester period.
 - c) All other OFSAA eligibility policies apply to the student.

Production of evidence/documentation described above does not guarantee eligibility.
